

Mini Miura Fancy Fold Card

Metric Measurements (Closed card will be 9.9cm x 14.8cm):

- Pool Party: 29.7cm x 14.8cm
- Basic White: 9.4cm x 14.3cm,
- Pear Pizzazz: scrap for sentiment panel
- Designer Series Paper: 2 pieces each 9.4cm x 14.3cm, 2 pieces 8.4cm x 4.3cm

Imperial Measurements (Closed card will be 3½" x 5½"):

- Crumb Cake: 10½" x 5½"
- Very Vanilla: 3¼" x 5½", scrap for sentiment panel
- Designer Series Paper: 2 pieces each 3¼" x 5½", 2 pieces each 2⅞" x 1⅝"

Instructions and diagrams for both metric and imperial cards are provided below.

Mini Miura Fancy Fold Card

Metric Instructions:

Card Base:

- Score at 9.9cm and 19.8 cm on the 29.7cm side so that there are three equal shapes of 9.9cm x 14.8cm
- On the 9.9cm score line, mark a point 5cm from the top. Score from the 5cm mark to the top edge of the cardstock on both the left and right of the mark.
- On the 19.8cm score line, mark a point 5cm from the bottom. Score from the 5cm mark to the bottom edge of the cardstock on both the left and right of the mark.

Designer Series Paper:

When the card is open, there are three panels.

Left panel

- On the right hand side, mark a point 4.8cm from the top. Cut from this point to the top left hand edge.
- Cut 0.5cm off along the top edge of the small triangle and discard.

Right panel

- On the left hand side, mark a point 4.8cm from the bottom. Cut from this point to the bottom right hand edge.
- Cut 0.5cm off along the bottom edge of the small triangle and discard.

Centre panels

Cardstock:

- On the left hand side, mark a point 4.8cm from the top. Cut from this point to the top right hand edge. Discard the small triangle.
- On the right hand side, mark a point 4.8cm from the bottom. Cut from this point to the bottom left hand edge. Discard the small triangle.

Designer Series Paper:

- Cut both pieces on the diagonal from top right to bottom left.
- Discard the pieces as shown in the diagram.

Centre Top DSP

Centre Bottom DSP

Mini Miura Fancy Fold Card

Imperial Instructions:

Card Base:

- Score at $3\frac{1}{2}$ " and 7" on the $10\frac{1}{2}$ " side so that there are three equal shapes of $3\frac{1}{2}$ " x $5\frac{1}{2}$ ".
- On the $3\frac{1}{2}$ " score line, mark a point 2" from the top. Score from the 2" mark to the top edge of the cardstock on both the left and right of the mark.
- On the 7" score line, mark a point 2" from the bottom. Score from the 2" mark to the bottom edge of the cardstock on both the left and right of the mark.

DESIGNER SERIES PAPER

When the card is open, there are three panels.

Left panel

- On the right hand side, mark a point $1\frac{7}{8}$ " from the top. Cut from this point to the top left hand edge.
- Cut $\frac{1}{4}$ " off along the top edge of the small triangle. This piece will be the layer for the belly band.

Right panel

- On the left hand side, mark a point $1\frac{7}{8}$ " from the bottom. Cut from this point to the bottom right hand edge.
- Cut $\frac{1}{4}$ " off along the bottom edge of the small triangle. This piece will be the layer for the second belly band.

Centre panels

Cardstock:

- On the left hand side, mark a point $1\frac{7}{8}$ " from the top. Cut from this point to the top right hand edge. Discard the small triangle.
- On the right hand side, mark a point $1\frac{7}{8}$ " from the bottom. Cut from this point to the bottom left hand edge. Discard the small triangle.

Designer Series Paper:

- Cut both pieces on the diagonal from top right to bottom left.
- Discard the pieces as shown in the diagram.

Mini Miura Fancy Fold Card

Assembling the card:

- Burnish all the score lines.
- Fold first horizontal as a mountain fold and second horizontal as a valley fold. This will give a closed trifold look.
- Fold the top diagonal scores as mountain folds – this will push the top of the horizontal fold to a valley.
- Fold the bottom diagonal scores as valley folds – this will push the bottom of the horizontal fold to a mountain.
- Attach Designer Series Paper pieces to left and right panels.
- Attach cardstock and Designer Series Paper to the centre panel.
- Decorate front of card and centre panel as desired.

This card was made using Basic White cardstock and does not have a centre panel.
